PREMIUM LUXURY

JAGUAR

## Jaguar XF 3.0L Diesel Premium Luxury

The Jaguar XF fuses sports car styling and performance with the refinement, features and space of a luxury saloon.

### EFFICIENT DESIGN

With its bold bi-function HID Xenon headlamps outlined with crystal white LED daytime running lamps and its muscular bearing, the XF makes a statement of formidable intent. Its flowing lines and primed nose-down attitude is more than an athletic pose, they have been precision-honed through exhaustive design testing to perfect the XF's air-flow efficiency. Beautiful, intense, potent; first the XF captures your imagination and then your heart.

### CRAFTSMANSHIP

To step into the XF is to take your seat in a theatre of luxury and delight. The exquisitely crafted interiors greet you with form hugging supple leathers, classic real wood veneers and crisp, contemporary aluminium surfaces.

### PERFORMANCE

Think of it as power and performance re-defined. It's the thrust of 600 Nm of Torque from XF's highly advanced twin-turbocharged 3.0L Diesel S squeezing you hard into the seatback.

### TECHNOLOGY

In creating a driving experience that surpasses all others, nothing but the highest fidelity sound system will survive. Then there are intuitive technologies – JaguarDrive Selector™, Jaguar Sequential Shift™, JaguarDrive Control™ along with the crystal clear 7" Full Colour Touch-screen that sets the standard for simple, logical operation of climate control, entertainment and Bluetooth® connectivity.
