

JAGUAR XKR-S 5.0L  
SUPERCHARGED PETROL COUPÉ

JAGUAR

## XKR-S 5.0 V8 Supercharged

The new Jaguar XKR-S – The fastest and most powerful production sports car Jaguar has ever built.

### DESIGN

The sporting pedigree of the XKR-S is reflected in its dramatic appearance. Exterior styling include a host of modifications that improve aerodynamics and stability at high speed, for instance the unique front design features, twin nacelles, side intakes, and carbon fibre splitter and lower spoiler, extended side sills accentuate the car's ground-hugging contours. Sporting exterior colours unique to XKR-S, evoke Jaguar's racing heritage.

### CRAFTSMANSHIP

Inside the cabin, features such as new performance seats featuring unique carbon leather and contrasting micro-piping and stitching, create the perfect environment for enjoying an exceptional driving experience. Strongly sculpted side bolsters offer exceptional lateral support during hard cornering. The integral headrests are embossed with the 'XKR-S' logo.

### PERFORMANCE

The XKR-S marks the pinnacle of Jaguar sports engineering, delivering awe-inspiring performance and exceptional dynamic handling. The XK range's highly efficient 5.0 Litre V8 supercharged engine has been extensively recalibrated for the new XKR-S, making it the most powerful Jaguar road engine ever produced. Power output has been increased to 550PS and maximum torque now reaches 680Nm, giving the XKR-S a top speed of 300 km/h with acceleration from 0–100 km/h in 4.4 seconds.

### TECHNOLOGY

The XKR-S features a host of easy-to-enjoy, driver-focused technologies. The XKR-S' Six-speed Automatic Transmission is controlled by the JaguarDrive Selector™. The 7" Touch-screen Controls most major functions and keeps the number of conventional switches to a minimum. A masterpiece of clarity and intuitive functionality, it is used to operate the in-car audio system, Bluetooth® telephone system and climate control.

### ENGINE SPECIFICATIONS

Engine Capacity	5,000 cc
Cylinders Layout	V8
Maximum Power	550PS / 6,000-6,500 RPM
Maximum Torque	680Nm / 2,500-5,500 RPM

### DIMENSIONS mm

Overall Length	4,804
Wheelbase	2,752
Width	2,028 (including mirrors)
Height	1,312

### POWERTRAIN AND DRIVING DYNAMICS

6 Speed Electronic Automatic Transmission with Jaguar Sequential Shift™  
JaguarDrive Selector™  
Cruise Control with Automatic Speed Limiter  
Adaptive Dynamics  
Active Differential Control  
Trac DSC

### EXTERIOR FEATURES

Headlamps – Bi-Xenon with Cornering Lamps, Auto-Levelling  
Rear Lamps – LED  
Exterior Mirrors – Heated, Electrochromic, Power-folding with Integrated LED Lights and Approach Lamps  
Windscreen - Heated (front), Rain Sensing Wipers  
Unique Front Design with Twin Nacelles, Side Intakes, Carbon Front Splitter and Mesh Grille in Gloss Black with Gloss Black Inner Surround  
Bonnet Louvres with Supercharged Script  
Performance Active Exhaust with Quad Tailpipes  
Rear Apron Featuring Carbon Fibre Diffuser  
20" Alloy Wheels

### INTERIOR FEATURES

Performance Seats in Softgrain and Carbon Non-perforated Leather with Contrast Stitching  
Contrast Piping Detail and "R-S" logo embossed to Head-restraints  
Dual Zone Automatic Climate Control  
Leather Steering Wheel with Multi-functional Switches  
Electrochromic Interior Rear View Mirror  
Cup-holders – Front  
Premium Carpet Mats - Nubuck edged with Jaguar Script  
Accessory Power-point in Glove Box

### MULTIMEDIA

Bowers & Wilkins 525 W Premium Audio System  
6 Disc In-Dash CD Changer, MP3 Format Reader  
Bluetooth® Telephone Connectivity  
7" Full Touch Screen Display with Controls for Audio

### SAFETY AND SECURITY

Jaguar Smart Key System™ with Keyless Entry & Start  
Parking Aid, Front and Rear (with Touch Screen Visual Aids)  
Perimeter Sensing and Sounder, Microwave Intrusion Sensor  
Remote Central Locking  
Valet Mode
