The world belongs to the big hearted. The generous of heart. They are the ones who don't think twice before helping someone. Or finding place for an extra passenger, and their luggage too. Or travelling that extra mile to meet a friend. The new TATA Venture has been created for this rare breed of people. Because it is these people who make the world a better place. The bade dilwale.

The power of generosity.

The TATA Venture is fitted with a proven Turbo Diesel Engine with Inter-cooler which makes it both powerful, and fuel efficient. The 5 Speed Gear-box offers ample driving flexibility and range in the city and on highways. Power Steering along with turning circle radius of 4.5 m, length under 4 meter, and wider 14 inch makes it easy to maneuver on the most congested roads.

Smiles guaranteed.

Inside here, it's pure happiness. The Spacious Interiors with 5, 7, and 8 seating options, flexible Luggage Space, the Independent Front Suspension, the 3 Link Coil Rear Suspension, the HVAC with Roof Mounted Dual AC and 12 Louvers for personalized cooling, all define new standards in comfort and luxury for this category. The icing on the cake is the Power Windows, Music System with CD/MP3 player, Keyless entry, 12 V Charging Points, 2 Glove Boxes, Digital clock, Driver Information System, Door Ajar Indicator, Sunvisor with Vanity Mirror, Internal Remote Adjustable Mirror, and a low floor for ease in stepping in and out of the vehicle.

Big on safety.

With the TATA Venture, safety is supreme. After all, protecting this rare breed of people, and their family, is imperative. Meeting the frontal crash norms, the TATA Venture ensures the safety of the driver and co-driver with thick A-pillars and Crumple Zones along with Three-stage Collapsible Steering Column. Every passenger is secured by Seat Belts, and Side Impact Beams. The vehicle has also passed the tough SMV SS American regulations for Roof Crush, and tests for Static Roll Over. Further adding to the sense of safety is the Reverse Guide System, High-illumination Headlamps for night driving, Fog Lamps, High Seating Position for better visibility, and Rear Wash, Wipe and Demister. The Engine Immobilizer completes the safety cover.
